manikstha.com.np

As a UI/UX Designer, I'm passionate about creating intuitive and visually appealing digital experiences. Skilled in responsive design, wireframing, and user-centered approaches, with hands-on experience designing landing pages and hotel booking websites. Eager to contribute and grow through a professional internship.

My Primary focus throughout, has been creating-

- Data Driven UI Design
- Responsive, multi-screen UI design

Objective

Seeking a UI/UX internship to apply skills in wireframing, prototyping, and responsive design while contributing to real-world product development.

Projects

Educational Platform Landing Page (LearnAxis)

Tools: Figma

- Focused on visual hierarchy, clean typography, and intuitive navigation to enhance user experience.
- Implemented course cards, testimonials, blog highlights, and contact form for a complete educational site flow.
